

CEDAR SCHOOL

EMPLOYEE HEALTH BENEFITS

Employees working 32 hours or more per week are eligible for Medical, Dental, and Vision coverage after 90 days of employment.

You may enroll in any or all of the three benefit options. Applications are available through your administrator.

Cedar School contributes at least 50% to employee individual premiums.

For the 2026–2027 plan year, employees will pay approximately **\$140** per month for all three health benefits combined.

Additional Information:

- Benefit providers are reviewed annually, and providers and premiums are subject to change each year.
- Premiums are subject to an annual increase implemented by the providers each June.
- If an employee does not apply for benefits between the 60th and 120th day of employment, they must wait until the June open enrollment period to be eligible again.
